

Purging Compound

Slide® NPT Nu Purge™

COMPLETE PURGING THROUGH REACTIVE CHEMISTRY. NO NEED FOR MULTIPLE PURGING PRODUCTS. TEMPERATURE RANGE OF 160° - 600°F. READY TO USE-NO MIXING. FDA COMPLIANT. USE WITH MOST RESINS. NOT FOR USE WITH ACETAL OR DELRIN.

Part#	Quantity	Price Each
45105	5 lb. Jug	\$23.25
451150	150 lb. Barrel	\$628.50

The most effective new purging technology developed in decades, NPT eliminates the need for multiple purging products since it effectively operates at temperature ranges from 160-600°F. It removes all traces of barrel residue in any plastics processing application in less time and for less cost.

NPT solves the major problem of removing stubborn residue between color or resin changes. The most effective new purging technology developed in decades, NPT consists of concentrated purge pellets that react chemically to heat, quickly and effectively cleaning machinery without extra soak time, excess downtime or lost productivity. The resulting purge is so effective that even resin deposits accumulated over long periods are often removed the first time NPT is used.

Easy to use, NPT requires no mixing or preparation time, shortening the clean-up cycle. Just pour the recommended amount directly into the throat of the machine. NPT is so concentrated that less compound---up to one-half the amount of cracked acrylic- is needed for a complete purge. NPT is non-hazardous, FDA compliant and free of harsh odors.

Purging Compound

Slide®- PDQ

P.D.Q. Concentrate

CONCENTRATED LIQUID PURGING COMPOUND

Heat stable. Non-toxic. Non-corrosive. Non-flammable. Almost odorless. Use with carrier resin for the removal of all thermoplastics - resin to resin and color to color. Purge quickly, easily, safely and at a fraction of the cost of conventional purges -injection, extrusion or blow molding. Requires no soaking. No need to keep cracked acrylic" purging resin inventory. Unique self-measuring bottle "meters out" just the right amount with little waste. Net 32 fl. oz.

Per Bottle	\$28.45	\$26.08	\$21.34

P.D.Q. Ready-To-Use Packets

LIQUID PURGING COMPOUND

No Mixing Required. Non-flammable. Almost odorless. Purging doesn't get any easier than this. Just toss bag in hopper, that's all there is to it. PD.Q. liquid purging compound is the no soak, no mess, no waste, easy-to-store purge solution. PD.Q. works in the carrier resin, saving time and money, Just one product works on all resin temperatures. Box of 50 - 1 oz. plastic bags
