Apollo™ Safety Glasses

A Fashionable safety glass with the look of today. The unitary lens provides a wide, unobstructed view of your workplace. The design is comfortably wide to fit your head without pinching, while the temple offers an adjustable length to customize the fit to your head. Available in many colors as well as gold metal frame. The Flex-Fit feature allows the temple to be adjusted to curve around your ear for a fit that stays. No more pressure points.

Featuring Flex-Fit Adjustable Temples
