

To: Interested DME Customers

Re: **DME ISO 9001 Certification**

Thank you for your interest in DME's Quality System. DME maintains ISO 9001 registration at the following sites:

Greenville, MI - DNV Certificate No. 07572-2004-AQ-HOU-ANAB

The manufacture and distribution of standard and special mold bases, unit die inserts, frames and components.

Madison Heights, MI - DNV Certificate No. 01391-2003-AQ-HOU-ANAB

Design, distribution and servicing of mold bases, mold base components, mold action devices, mold maker supplies, electronic controls and molding systems for the plastic injection molding and die casting industries.

Youngwood, PA - DNV Certificate No. 01394-2006-AQ-HOU-ANAB

The Youngwood, PA facility of D-M-E Company is engaged in the processing and machining of various alloys of steel plate into all sizes and types of mold plates, and mold bases to serve tool makers and the plastic injection mold industry (excluding clause 7.3:Design & Development).

Windsor, Ontario - SGS Certificate No. CA96/344

Manufacture of plastic injection mold bases, including runnerless molding systems, and general machining services.

Should you have additional questions, or need any additional assistance, please feel free to contact us at your convenience.
