

COOLINGCARE - LEASE-TO-OWN

AUTOMATIC CLEANING, DIAGNOSTICS & CONSERVATION OF COOLING CHANNELS

DME is making it easier to own a CoolingCare Machine. In addition to the standard purchase and unique rental options, DME offers a flexible Lease-To-Own program, allowing you to take advantage of the CoolingCare benefits while paying for it through convenient monthly installments.

3 months	6 months	9 months*	12 months*
\$28,275/month	\$14,625/month	\$11,075/month	\$7,800/month

Lease-to-own program overview

- A convenient monthly leasing program allows you to own a new CoolingCare machine after monthly installments
- Unit - 6 channel capability, 2 heaters and 1 fluid monitoring system
- Ease of installation with 1 accessory kit of your choosing
- Simple flat rate shipping

Lease-to-own benefits

- Flexible plans to fit your needs
- Avoid renting as needed - lease-to-own guarantees the unit will be in-house when you need it
- Minimize financial barriers while using the machine immediately
- Eliminates the inconvenience of returns associated with a traditional rental program. The unit will be yours to keep
- Pay through monthly installments to avoid upfront purchase costs

Additional accessories and services available for purchase

- Cleaning media (required)
- Accessory kits
- On-site technician
- Transformer - recommended when 230V single phase power supply is not available

Become the proud owner of a DME CoolingCare Machine through our Lease-To-Own Program, geared to help you improve profitability.
