AND SUSTAINABILITY

DME Line Card

A Solution Provider

With the industry's broadest range of market-leading products, a global logistics infrastructure to ensure speed and accuracy, and a support organization with unsurpassed knowledge and expertise to assist customers in improving productivity, and cutting costs. DME... the complete partner for mold technologies.

Mold Components

- Ejector Pins, Sleeves & Blades
- Core Pins
- Return Pins
- Metric Components (DIN & JIS)
- Guide Pins & Bushings
- Guided Ejection Systems
- Sprue Bushings
- Locating Rings
- Extension Bushings
- Cashew Gate Inserts
- Mold Assembly Components
- Wear Strips & Plates
- Slide Retainers
- Angle Pins & Angle Pin Inserts
- Gib Assemblies
- Mold Counters
- Interlocks
- Mold Dating & Marking Inserts
- Recycling Inserts & Electrodes
- Custom Components

Mold Action Devices

- Servomold® Unscrewing Device
- Undercut Releasing Systems
 - S-Core Collapsible Cores
 - DURA Core Collapsible Cores
 - Expandable Cavities
- Hydraulic Unscrewing Devices
- Accualigh Lifters
- 2-Stage Ejectors
- EZ Stack Centering Device
- Helical Gear Stack Mold Centering Devices
- Latch Locks & Pullers
- Internal Latch Locks
- External Latch Locks
- Positive Early Ejector Returns
- Accelerated Ejectors

Mold Cooling

- TruCool Conformal Cooled Inserts
- Conformal Cooling Sprue Bushings
- Conformal Cooled Accualigh Lifters
- Insulator Sheets (Blue Board)
- Flowmeters & Regulators
- Heat Pipes
- Jiffy-Tite
 - Water Connectors
 - Plugs
 - Baffles
- Turbo Plastic Baffels
- CoolingCare Channel Cleaning System

Hot Runner Systems

- Thermal Gate Hot Runner Systems
- Valve Gate Hot Runner Systems
- Hot Nozzles
- Hot Sprue Bushings
- Hot Runner Maintenance & Repair
 - Complete Bake-Out Cleaning
 - Inspect, Check, Validate
- Complete (manifold to tips) Rebuild Evaluations

Control Systems

- ITSP Plus Temperature Controllers
- Smart Series® Temperature Control Systems
- Temperature Control Modules
 - TSM, SSM
- Valve Gate Controls (Pneu & Hydr)
- Process Controls
- Single Zone Timers
- Portable Cavity & Pressure Monitor and Controller
- Mold Pressure Sensors
- Current/Voltage Monitors
- Terminal Mounting Boxes
- Thermocouple Cables
- Universal Floor Stands
- Mold Power Input Connectors
- Mold Power Cables
- Thermocouple Connectors
- Thermocouple Cables
- GPMS Series Temperature Controllers
- Mold Checkers
- Cable Checkers

DME Line Card

Molding Supplies

- Auxiliary Equipment
 - Cooling Channel Cleaner
 - Venting Equipment
 - Mold Separation
- Machine Parts
 - Nozzle Tips
 - Screw Tips
 - Mold Clamps
- Tooling Supplies
 - Hoist Rings & Eye Bolts
 - Lifting Magnets
 - Fas-Tie Ejector Tie-In
- Shop Supplies
 - Brushes
 - Scrapers
 - Hand Tools
- Safety Supplies
 - PPE
 - Spill Control
- Cooling Products
 - Flow Meters & Regulators
 - Water Manifolds
 - Couplers, Plugs & Valves
- Temperature & Voltage Controls
 - Temperature Controls
 - Heaters & Thermocouples
 - Electrical Accessories
- Cutters & Trimmers
 - Gate Cutters
 - Heated Gate Cutters
 - Pneumatic Cutters
- Mold Care
 - Purging Compound
 - Mold Cleaners
 - Mold Releases
 - Rust Preventatives
 - Lubricants

Mold Bases & Plates

All mold bases & plate are quoted to your specific dimensions. #1, #3 or top-to-bottom #7 stainless steel.

MUD® Quick-Change Molding Systems

- MUD Mold & Die Steels
- U Frames
- H Frames
- Adapter Frames
- Companion Ear Plates for Adapter Frames
- Interlocking Ejector Rails
- Companion Insert Molds (for U, H & Double H Frames)
- Interlocking Ejector Plates
- Master Ejector System (U Frame)
- MUD Components

Mold Making Equipment

- Cutting Tools
- Finishing & Polishing Equipment
- Microwelding Mold Repair System
- Molding Supplies
- Abrasives
- Diamond Compound
- Diamond Files & Stones
- Ultrasonic Finishing & Polishing Systems
- Rotary Finishing & Polishing Systems
- Belt Sanders & Accessories
- Mold Sprays
- Hoist Rings
- Polishing Kits
- Riffles
- Rout-A-Burr Tools
- Stones - Abrasive, Ceramic, Diamond, Ruby

Die Casting Equipment & Supplies

- Standard Single Unit Die Holders
- Heavy Duty Single Unit Die Holders
- Standard Double Unit Die Holders
- Heavy Duty Double Unit Die Holders
- Standard Replacement Units
- Heavy Duty Replacement Units
- Die Cast Sprue Spreaders
- Die Cast Sprue Bushings
- Runner Spreaders
- Runner Bushings
- Slide Action Components
- Cooling Components
- Die Assembly Components
- Die Components – Inch & Metric

Technical Services

- CAD Library of 80,000 native and neutral product files
- Hot Runner Services Center
- Application Engineering Services
- Cooling Analysis Services
- CoolingCare ProService
